YouTube Music is a new music app that allows you to easily find what you're looking for and discover new music. Get playlists and recommendations served to you based on your context, tastes, and what's trending around you.

A new music streaming service from YouTube

This is a completely reimagined music service with official releases from your favorite artists.

Find the music you want

- Easily find the albums, singles, live performances, covers and remixes you're looking for.
- Don't know a song's name? Just search the lyrics or describe it.

Discover new music

- Get music recommendations based on taste, location, and time of day.
- Use "The Hotlist" to keep up with what's trending.

Upgrade to YouTube Music Premium to enjoy these benefits:

- Listen ad-free
- Don't worry about your music stopping when you lock your screen or use other apps.
- Download your favorites or let us do it for you by enabling Offline Mixtape.

If you subscribe via iTunes:

Payment will be charged to iTunes Account at confirmation of purchase. Subscription automatically renews

unless auto-renew is turned off at least 24 hours before the end of the current period. Account will be charged for renewal within 24 hours prior to the end of the current period at the rate of the selected plan. Subscriptions and auto-renewal may be managed by going to Account Settings after purchase.

Love the app just ONE thing...

Im sure other people would agree but just putting it out there and hope you take it into consideration. But under "Library" in the "Artist" column once you've subscribed [more](#)

Wayyyy too many repeats

When i first downloaded this app, i was getting ready to get rid of every other music app and subscription i have. Thankfully i didnt though. This is because the first day or t [more](#)

change it back!

Been LOVING this app for a long time until the latest update. i don't understand the logic of the new format at all! Before you could see dozens of songs on the home screen, lot [more](#)
